

KAIZEN

King Tiger/Jagdtiger

(Workable Track Link)

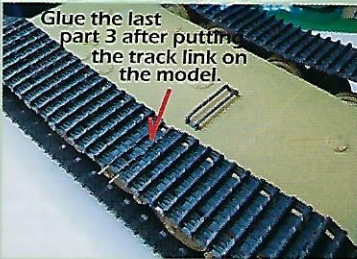

KZ-KT-JAGD
1/35 SCALE

Note :

- 1) When use the track links for King Tiger(Tamiya), please reduce the tooth thickness on the sprocket by filing from inside for better fitting.
- 2) Adjust the angle of the idle wheel for proper tension of the track link.

Product Features :

- 1) Box contains 112 pairs track links & 40 pcs metal pin (with spare tracks).
- 2) This track links can be used for both King Tiger & Jagdtiger tank models (e.g.1/35 Tamiya & MENG).
