

FLEET LOGISTICS SUPPORT SQUADRONS 1980-2020

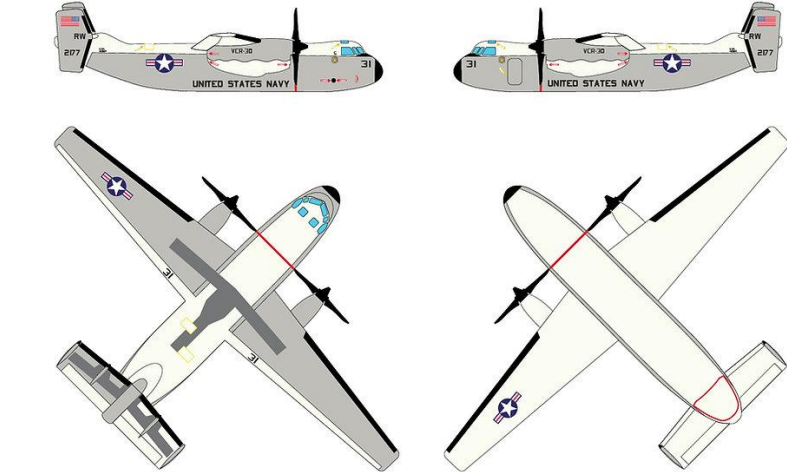

THIS DECAL SHEET IS A LASER HIGH RESOLUTION PRINTING. PRINTING IS HEAT BONDED TO THE FILM, WATERTIGHT AND DOESN'T NEED ANY VARNISHING BEFORE BEING SOAKED. DECAL FIXING PRODUCTS WORK WELL. PLEASE READ FIRST OUR LAYING INSTRUCTIONS:
1- THE DECALS ARE PRINTED ON A COMMON FILM. YOU MUST SEPARATE EACH OF THEM BEFORE SOAKING: USE A SHARP NEW #11 BLADE TO VERY SLIGHTLY CUT THE FILM AROUND EACH DECAL. DON'T PRESS TOO MUCH, AS CUTTING THE PAPER WILL RAISE THE CUT BORDERS IN THE PAPER AND THIS COULD MAKE MORE UNEASY TO MOVE THE WET DECALS.
2- SOME COLOURS AREN'T TRULY OPAQUE: RED, BLUE, YELLOW, GREEN AND WHEN PUT ON A DARK BACKGROUND SURFACE THE RENDER WON'T BE AS DESIRED. THIS DECAL SHEET INCLUDES OPAQUE WHITE SHAPES FOR EACH OF THOSE DECALS, WHICH HAVE TO BE LAYERED FIRST. TO DO THIS A SIMPLER WAY: FIRST LAY THE WHITE DECAL, ALLOW ENOUGH TIME TO DRY AND LAY THE COLOURED DECAL ABOVE.

VCR-30
BEFORE 1985

- GRAYISH BLUE FS 35237
- LIGHT GULL GREY FS16440
- INSIGNIA WHITE FS18075
- GUN METAL

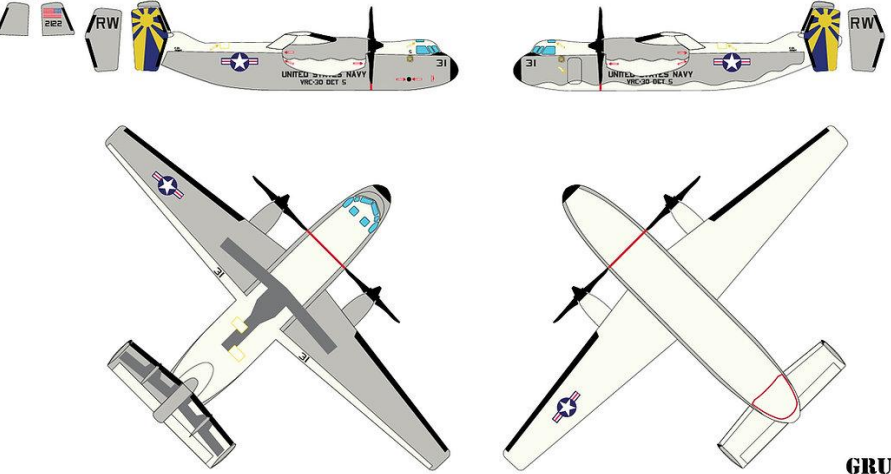

GRUMMAN C-1 TRADER

VCR-30
1986
