Air China operates a mixed fleet of P&W powered Boeing 767 -200s and -300s. This sheet will allow you to model either type. Paint model and apply decals as shown.

Registrations are as follows:
 -200s are B-2551 to B-2556
 -300s are B-2557 to B-2560

-  Medium Gray FS16376
-  Boeing 707 Gray
-  Bare Metal
-  Corrogard
