F-111F 72-448/LN 48FW May 1992

Standard SEA camouflage of FS30219 Tan, FS34079 Green, FS34102 Green with black undersurfaces and radome.

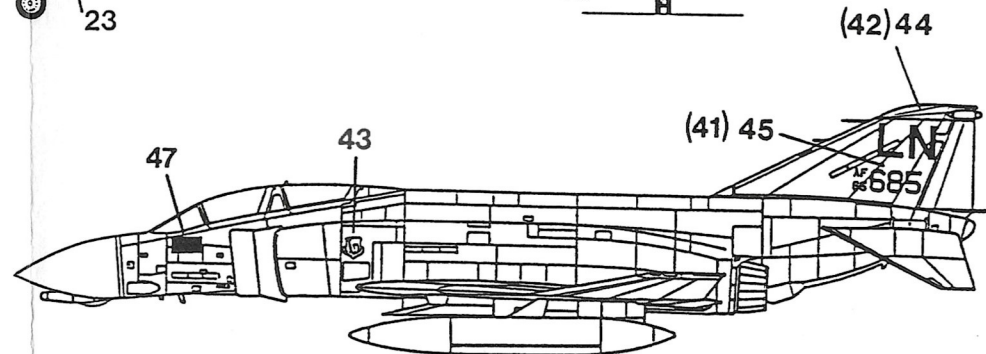

This aircraft was for many years marked with the Wing Commanders name and over these years the style of the tail codes changed several times and the Miss Liberty badge on the nose also varied as it was repainted. The decals provided are for the final markings carried at the end of it's career prior to it's return to USA
