

# CH-47D CHINOOKS

**Note:**  
When the Chinooks were in Afganistan  
Peguses ended up going light grey.

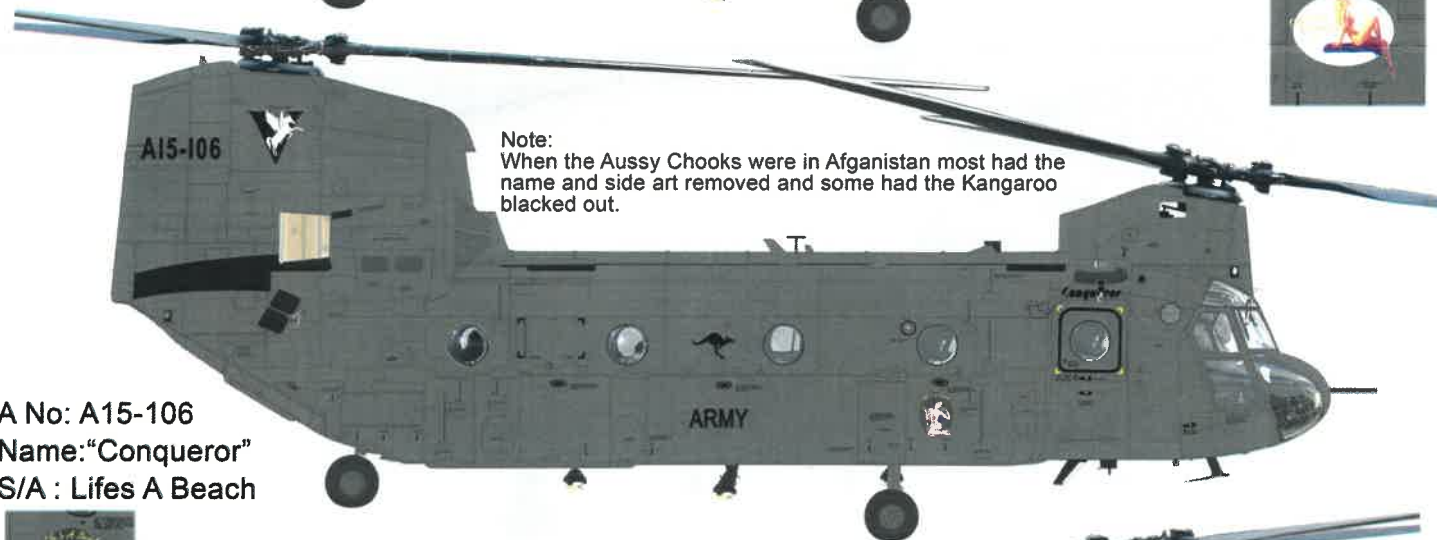

All the 100 series D model Chinooks were upgrade just before they went over to Afganistan. when they returned back to Australia most of them changed the air intake filters back to the cone style.

A No: A15-103  
Name: "Crusader"  
S/A : Naughty & Nice

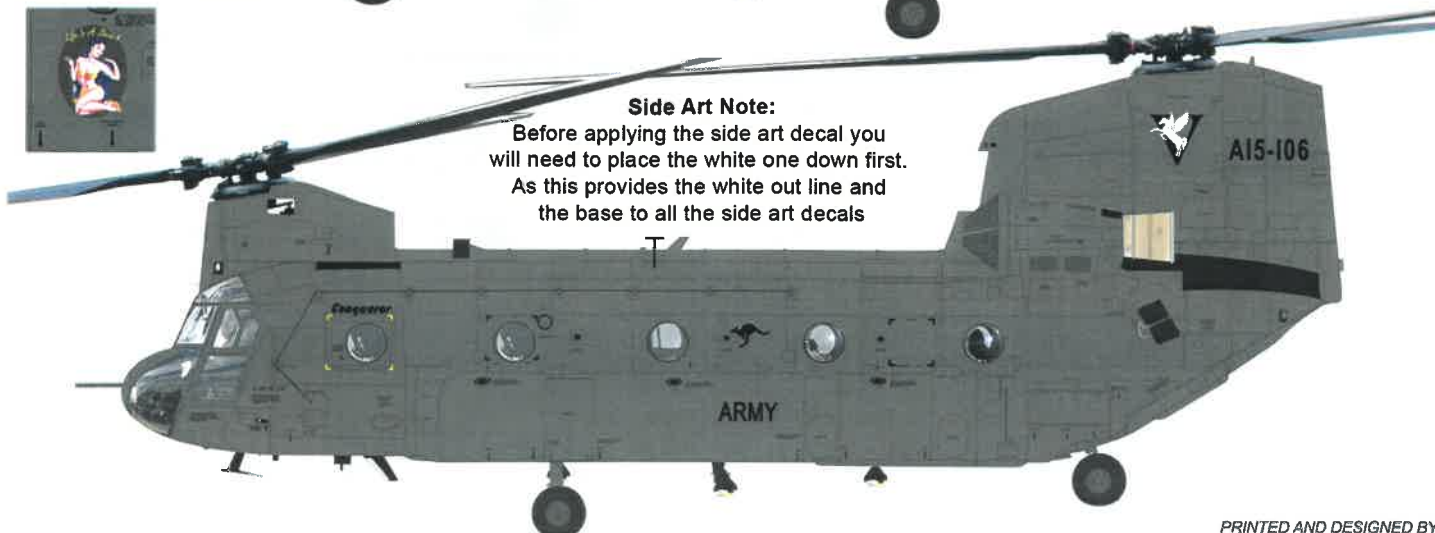

A15-104 earlier on carried the same side art but with a brown background

A No: A15-104  
Name: "Crux Australis"  
S/A : Dusty Blond

**Note:**  
When the Aussy Chooks were in Afganistan most had the name and side art removed and some had the Kangaroo blacked out.

A No: A15-106  
Name: "Conqueror"  
S/A : Lifes A Beach

**Side Art Note:**  
Before applying the side art decal you will need to place the white one down first. As this provides the white out line and the base to all the side art decals

# CH-47D CHINOOKS

**Note:**  
When the Chinooks were in Afganistan  
Peguses ended up going light grey.

A15-151 & 152 had a different  
antennas & sensor systems to 100s and 200 series  
chinooks as well as different chaff and flare set up.

A No: A15-151  
Name: "Chainsaw"  
S/A : Second Chance

A No: A15-152  
Name: "Charger"  
S/A : Silky Smooth

**Side Art Note:**  
Before applying the side art decal you  
will need to place the white one first.  
As this provides the white out line and  
the base to all the side art decals

# CH-47D CHINOOKS

**Note:**  
When the Chinooks were in Afganistan  
Peguses ended up going light grey.

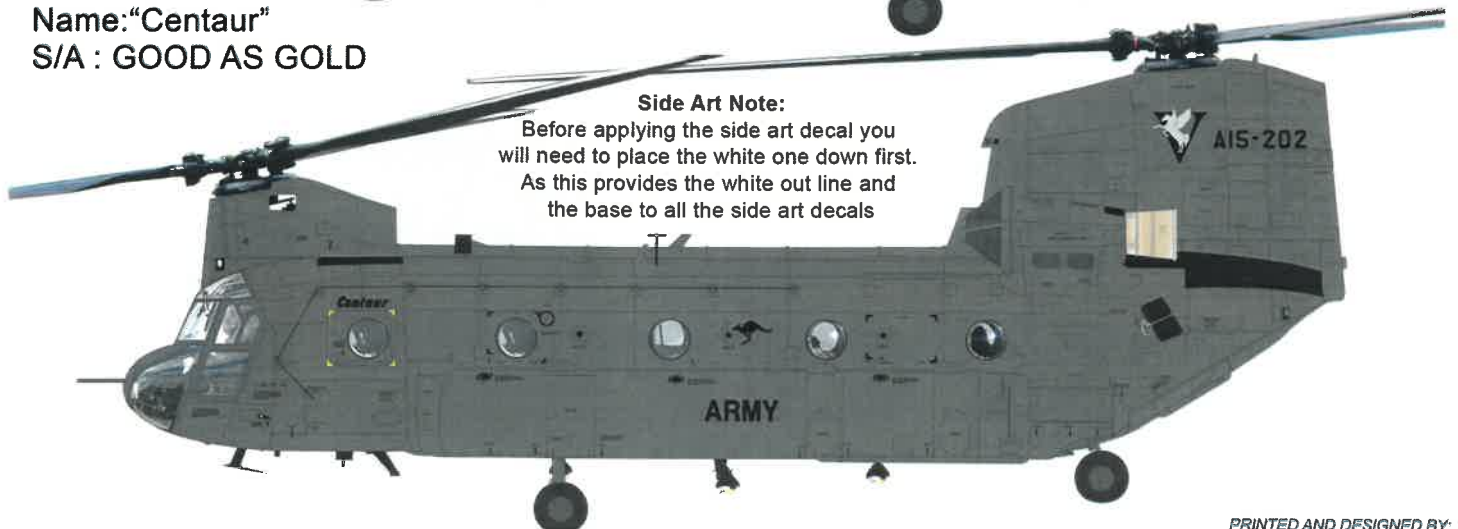

A No: A15-201  
Name: "Courage"  
S/A : Rough and Reddy
