

# Set SC72-51

## AIRWAVES

Israeli F-16D Avionics Spine

This conversion kit is manufactured from polyurethane resin and cast pewter and is designed to fit the Hasegawa F-16B PLUS. Remove fin as shown on drawing and then remove base of fin. Fit resin spine to kit with superglue or 5 minute epoxy and then fit fin to spine. Assemble the rest of the kit as instructed. Airwaves are distributed by E.D. Models, 64 Stratford Road, Shirley, Solihull, West Midlands B90 3LP, England. Telephone: 021-744-7488, Fax: 021-733-2591.
