

## MiG-25 Parachute release actuator and ventral fins set in 1/48 scale for all kits kit

Set content:

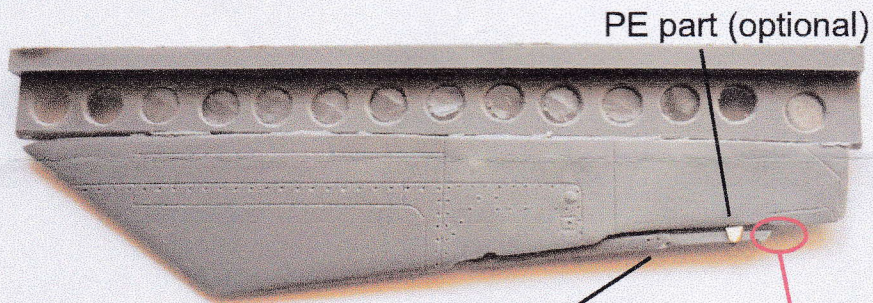

### Starboard ventral fin.

Many MiG-25 variants have this like the RBT, RBF, BM, PD, PDS. Check your reference photos if needed.

### Port ventral fin.

### Port ventral fin assembly

Parachute release actuator.

You can sand down the tip a bit to emulate worn effect as seen on some pictures.

Replace the kit fins with the resin parts.  
Be careful for the maintain the right angle.
