This diagram illustrates the exploded view of the wing assembly. The main wing structure is shown with a central fuselage and two wings. The left wing is labeled with 'C33' pointing to its upper surface. The right wing is labeled with 'C8' pointing to its upper surface. A component labeled 'D24' is shown as a small, rectangular piece that fits into the wing structure. A component labeled 'B14' is shown as a larger, rectangular piece that fits into the wing structure. The diagram uses perspective to show the relative positions of these components.
