

SPANISH NATIONALIST AIR FORCE

1/72 SCALE DECAL SHEET

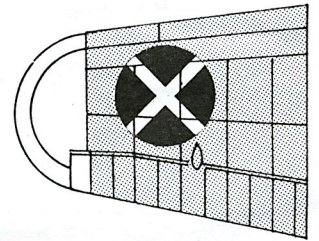

This decal sheet contains markings and insignia for eight aircraft of the Spanish Nationalist Air Force covering the period 1939 to the early 1950's. The aircraft covered on this sheet are: the **Tupolev SB-2 "Katiuska"** (Kit by FROG or NOVO); the **Polikarpov I-16** (Kit by REVELL) and the **Canadian Car & Foundry G-23** (licence built **Grumman FF-1**) (Vacuum Formed Kit by ESOTERIC). The Spanish Republican Air Force is covered on Blue Rider Decal Sheet BR214. There will be further sheets covering this period of aviation from Blue Rider.
