

A7-008

A7-008

Serving the many small airports of the Seychelles island group in the Indian Ocean, Air Seychelles' fleet of Twin Otters are among the most colorful in the world. The entire aircraft is white with a small black patch behind the exhausts on some aircraft. Note the red door and emergency escape hatch markings, as well as the emergency cut through markings. Registrations and ship names are:

- S7-AAF (not named)
- S7-AAJ Isle of Desroches
- S7-AAR Isle of Farquhar
- S7-AAT Isle of Fregate
