CAUTION ! Read before assembly!

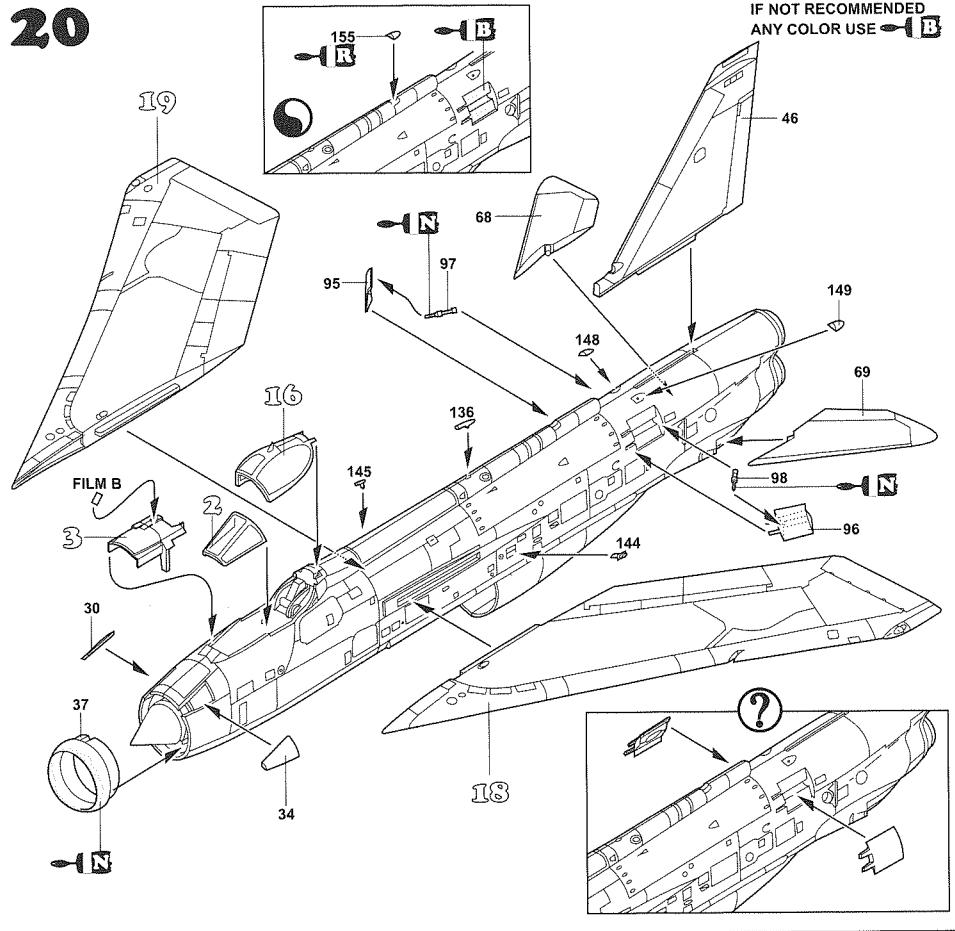

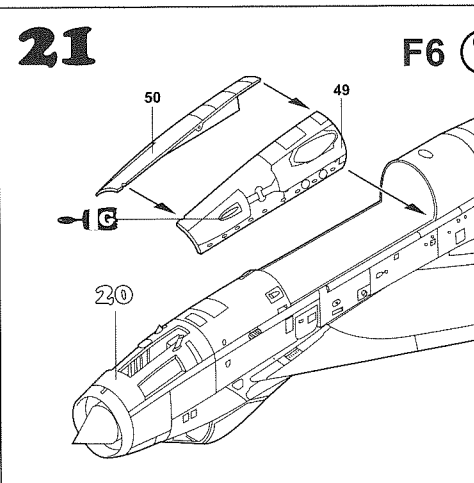

Study carefully the instructions before assembly.  
Paints and adhesive are not included in kit.

Kit contains injected plastic parts, casted resin parts and photoetched parts. For glueing of resin and photoetched parts use cyanoacrylate only.  
Some parts are very small and with sharp edges. During work protect your eyes with goggles and be aware of breathing dust or swallowing any small parts.  
Use tools, paints and adhesives properly after careful studying of instructions.  
This kit is not suitable for children under 10 years.
