**General Notes:**

1. Do not attempt to use this set unless your modeling skills are up to the challenge!
2. Certain parts are delicate, please be careful with the slender parts
3. Dry fit all parts first
4. Use super glue (cyanoacrylate)

WARNING!

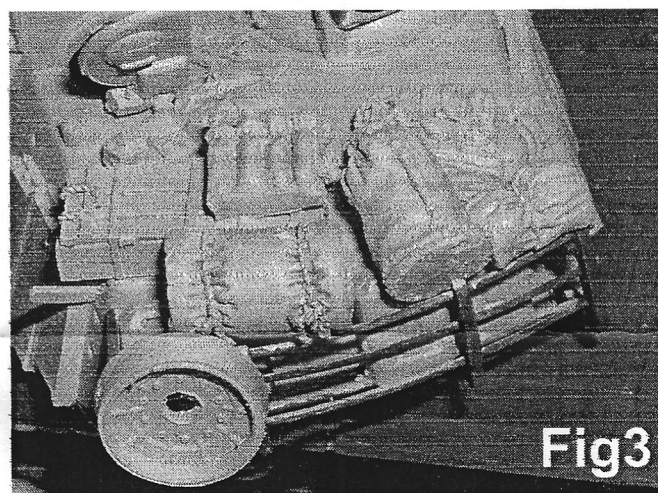

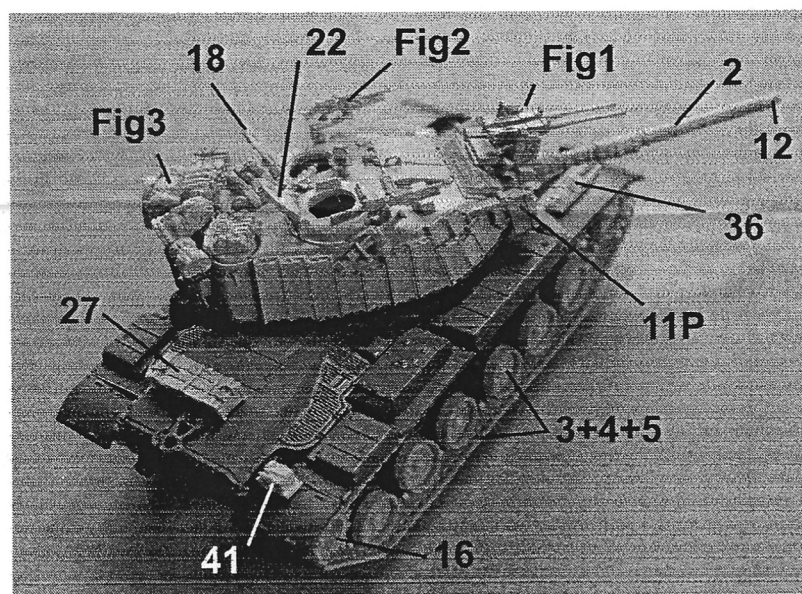

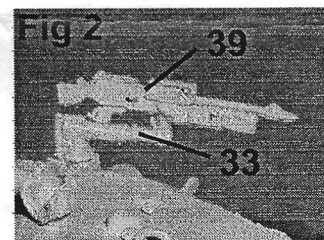

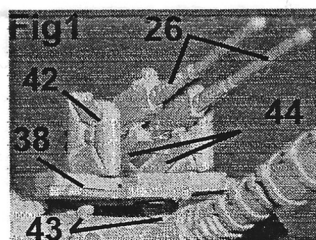

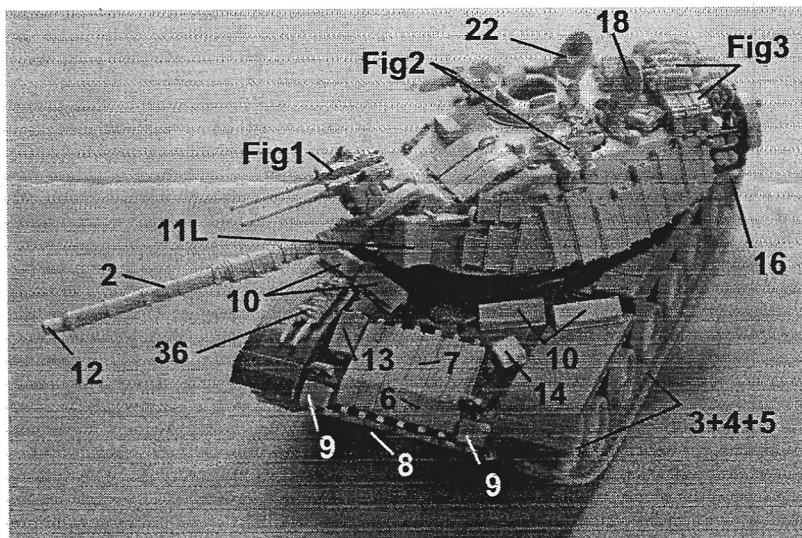

This set contains small parts. This product may cause harm if chewed or swallowed. NOT ADVISED FOR CHILDREN LESS THAN 10 YEARS OLD!

Construction Notes: Use the Revell kit No. 03140 only.

1. Glue resin turret (No.1) to kit part 42
1. Reduce resin part No.38 with sand paper. Glue parts 43 to the turret, then glue part 38 to parts 43. Glue guns No.26 to part No. 44, then glue finished guns to the panel No. 38. Glue ammunition boxes (No. 42) and belts (No. 19). See Fig 1 for details.
2. Glue parts No. 2, 11, 12, 18 and 22 to the turret.
3. Glue guns (No. 39) to parts 33, use ammo boxes No. 40. Glue both guns to the turret. For details see Fig. 2.
4. Glue parts 3,4,5,6,7,8,9,10,13,14,16 and 41 to the kit hull. See pictures as reference.
5. Glue kit parts No. 59-64 to the turret. You can use additional resin equipment (parts No. 15,17,20,21,23-25,28-37) to improve your model (For details see Fig. 3).
