Photo Etched Parts (PE)

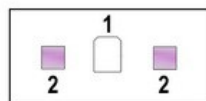

Decal (D)

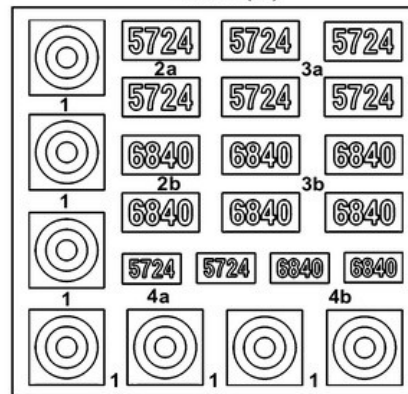

Printed Paper (PP)

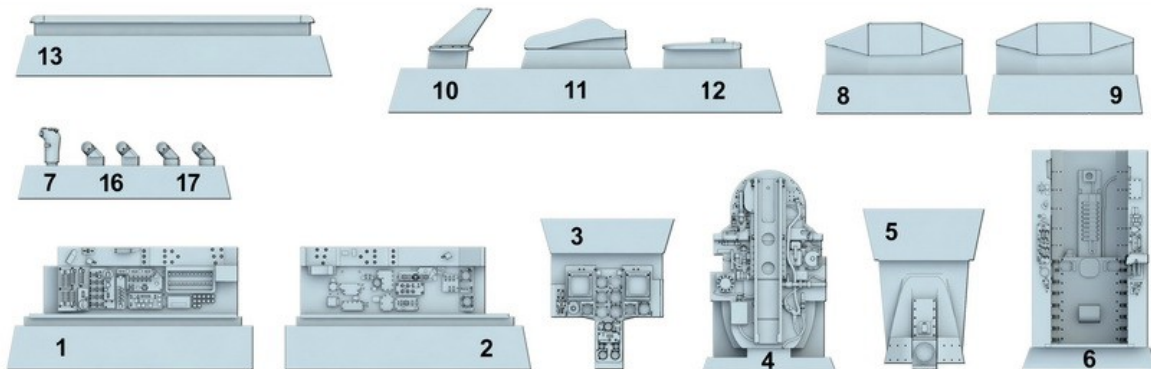

Transparency Film (TF)

Mask (M)

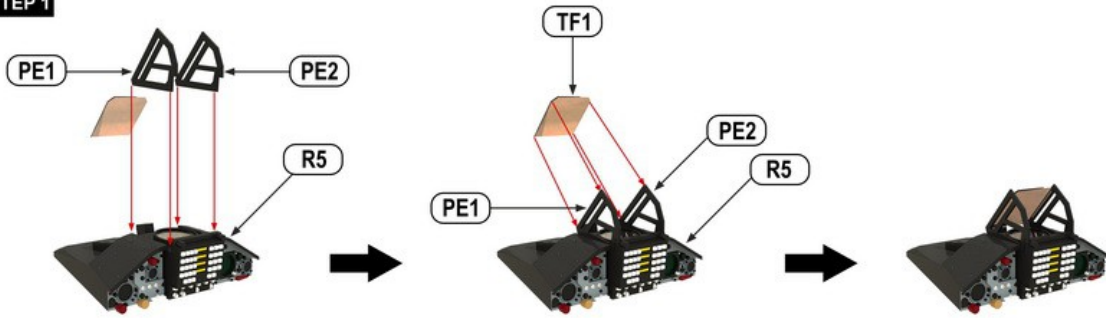

**Resin Parts (R)**

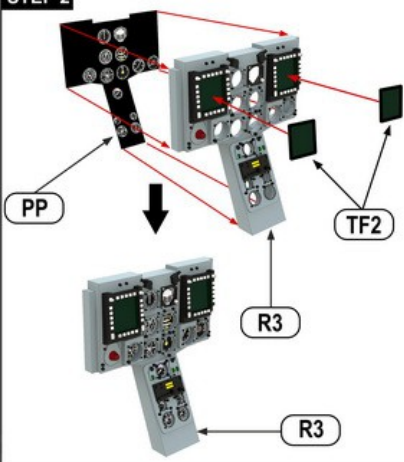

- 1 - It is a good idea to paint cockpit pannels and parts before assembling (see STEP 5).
- 2 - After that apply a dry brush.
- 3 - A clear glossy coat and a dark wash might help.
- 4 -Finally seal your work with a clear satin coat.
