# General Aircraft Information.

## **Royal Netherlands Navy B-25C/D Mitchell**

Former aircraft from 320 Dutch Squadron RAF Coastal Command. After world war two, a total of 28 aircraft were stored at Kirkbride. These were property of the Royal Netherlands Navy. During 1946 '47, 21 aircraft were made serviceable, while 7 aircraft were used as spares. The Mitchells served with the Royal Netherlands Navy from 1947 until 1954. The aircraft were used for general duties and for the search and rescue duties. Most aircraft were scrapped after their service life, some went to technical schools and the B-6 went to the War Museum in Overloon, The Netherlands.

## **Royal Netherlands Navy R4D-1 Dakota**

Former Royal Netherlands Air Force Aircraft. These 4 Dakota's were purchased for patrol duties around Dutch New Guinea, after the permanent grounding of the Martin PBM-5A Mariners. The Dakota's served from 1960 until 1961. after their Naval service, they went back to the Royal Netherlands Air Force and were replaced by P2V-7 Neptunes.

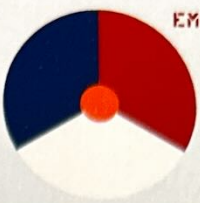

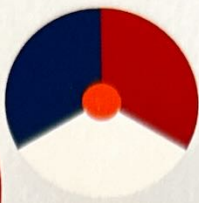

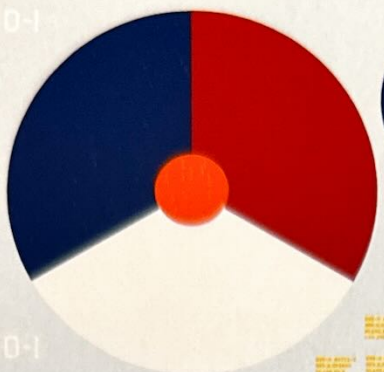

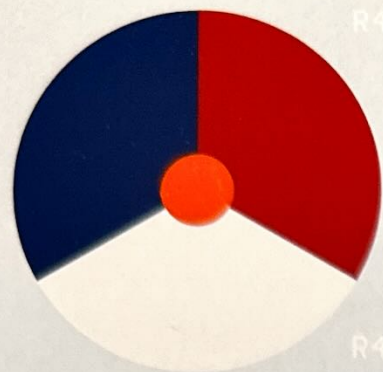

## **Royal Netherlands Navy DH-82 Tiger Moth**

Former Royal Netherlands Air Force aircraft. Used for towing duties for the glider clubs of Valkenburg and De Kooy Airbases. In service from 1956 until 1965. The 002 is sold to a private owner, all others were scrapped.
