AIRWAVES

Buccaneer Undercarriage

The white metal parts can be cleaned up using a fine file and wet and dry paper. They must be primed prior to painting and can be attached to the model with superglue.

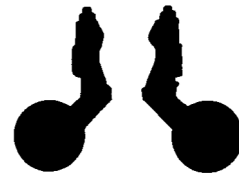

Airwaves are designed and manufactured in the Midlands for E.D. Models, 64 Stratford Road, Shirley, Solihull, West Midlands B90 3LP, England. Telephone:-021-744-7486
