

SuE SEM

Super Étendard / Super Étendard Modernisé

The Super Étendard (SuE) is a French carrier-borne strike fighter aircraft designed by Dassault-Breguet for service with the French Navy. The aircraft is an advanced development of the Étendard IVM. The Super Étendard first flew in October 1974 and entered French service in June 1978. French Super Étendards have served in several conflicts such as the Kosovo War, the War in Afghanistan and the military intervention in Libya.

The Super Étendard was also operated by Iraq and Argentina, who both deployed the aircraft during wartime. The SuE was used by Iraq to attack oil tankers and merchant shipping in the Persian Gulf during the Iraq-Iran War. Argentina's use of the Super Étendard and the Exocet missile during the 1982 Falklands / Malvinas War.

The SuE is a single-engined, mid-winged aircraft with an all-metal structure. Both the wings and tailplane are swept, with the folding wings having a sweepback of about 45 degrees. The main new weapon of the SuE was the French anti-shiping missile, the Aérospatiale AM 39 Exocet.

The Super Étendard Modernisé (SEM) flew strike missions in Operation Enduring Freedom. Mission Héraclès saw the deployment of the aircraft carrier Charles de Gaulle and its Super Étendards in Afghanistan.

シュペルエタンダールはフランス海軍の艦載機としてダッソーブレゲー社から開発されたもので、エタンダールIVの後継機である。対艦ミサイル・エグゾセと共に開発され、1974年初飛行し、1978年実戦配備以来のさまざまな戦争や紛争で重要な役割を果たし続けている。その中でも、フォークランド戦争の当時アルゼンチン海軍の同機からの攻撃によりイギリスの駆逐艦・シェフィールドを撃沈させた、いわゆる「シェフィールド・ショック」が有名である。その他にも、イラン・イラク戦争においてイラクに貸与していた機体によるタンカーへの攻撃や、フランス海軍のコソボ紛争、イラク・アフガニスタン・リビアなどに対する海外作戦展開などに参加し、対地攻撃やその支援、偵察、対空監視、給油など多様な任務に就いている。特に、1990年代から行われた近代化改修を受けたSuper Étendard Modernisé (SeM)はラファールなどの僚機がレーザー誘導爆弾で攻撃するターゲットを照射できるレーザーポッドを運営している。また、この機体は核爆弾やミサイルの運用能力を持ち、フランスの核戦力のひとつでもある。

CAUTION

- *Read carefully and fully understand the instructions before commencing assembly.
- *Keep out of reach of children. Children must not be allowed to put any parts in their mouths, or pull plastic bag over their heads.
- *When using adhesives and paints, please make sure not to use them in closed room or near the fire.
- *When assembling this kit, tools including knives are used. Extra care should be taken to avoid injury.

WARNING: CONTAIN SMALL PARTS NOT FOR CHILDREN UNDER 14 YEARS OF AGE.
