We advise that better method to join metal to metal is soldering. Use ABER soldering solution AF20 (doradzamy łączenie części metalowych za pomocą lutownia. Zastosuj nasz topnik AF20)

Please note that, for purpose of improvement ABER sets designs are subjects to change without notice. Proszę mieć na uwadze fakt, że zestawy ABER mogą ulec zmianie ze względu na ulepszenia, bez powiadomienia.

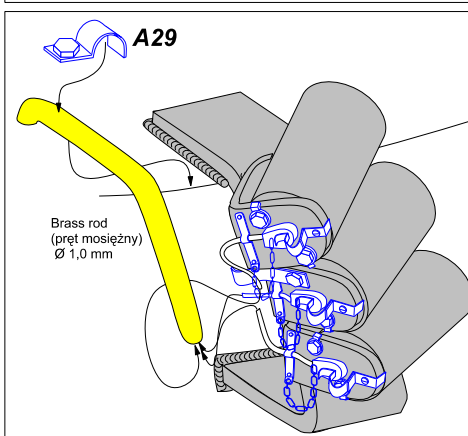

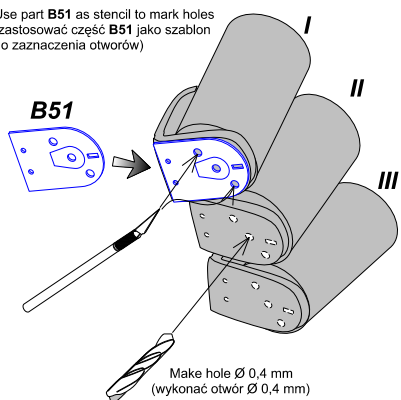

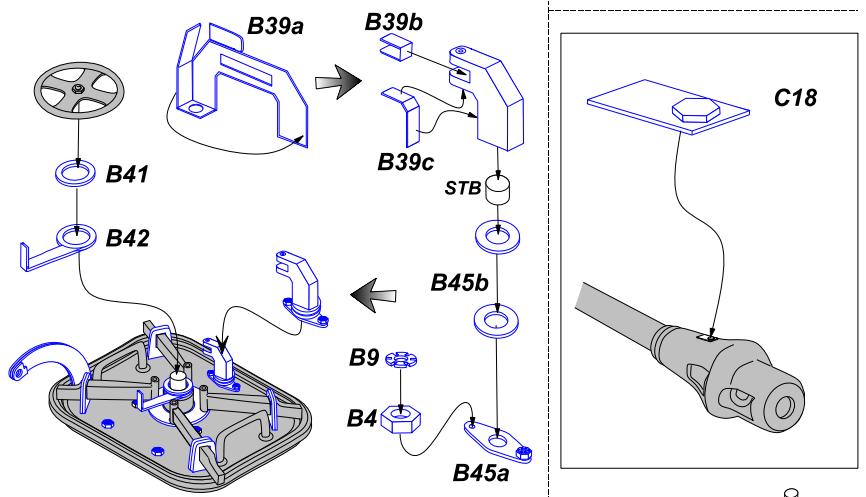

Use part B51 as stencil to mark holes
