- bleu nuit H104
LIGHT BLUE FS35526 (± ?)
- bleu clair H65 + blanc/ white
RED/rouge FS31136 semi-gloss
BRIGHT BLUE FS35102 (?)
- bleu vif H14 + gris moyen + mid gray
NATURAL METAL/métal naturel

croix de victoires sur zone bleu nuit
victory crosses on dark blue

natural metal
hélice Curtiss-Electric
propeller

red/rouge

L'avion vu avec ses 15 victoires (une partie en attaque au sol)
ne porte plus (ou pas encore) l'insigne petit canard, remplacé par un
bandeau noir mat tout autour du capotage.

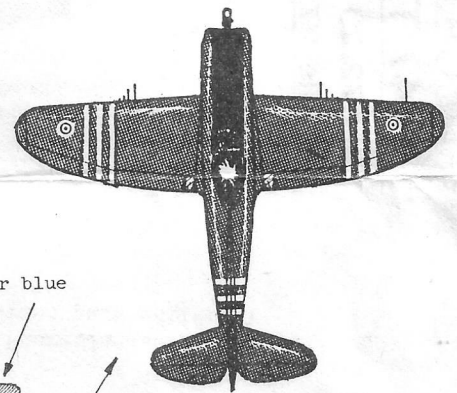

The aircraft seen with its fifteen kill markings (partly
ground attack kills) doesn't show the Duckling insignia
(yet -or anymore?) At this place a wide matt black stripe
was painted around complete cowling.
