Make sure you read the manual before assembling.

(1) Read the Manual before you start assembling. (2) Make sure that the kit is complete with all the parts. (3) After taking out the parts from the plastic bag, tear up the plastic bag. Little children can cut it and swallow it. (4) Do not let the children play with the kit. (5) While assembling the kit, place the parts and the cut-off chips on a flat place out of the reach of little children. These pieces may cause suffocation if swallowed. (6) Check the fit of each part. If it is not correct, do not force it. (7) Do not use glue because it is safer to use. (8) Open a window or make area well ventilated when glue or paint is in use. (9) Never use glue or paint on the face or body. (10) Do not use the glue or paint if it is indicated in painting instructions are the number of Gunze Sanyo Aqueous Hobby Color, (11) are those of Mr. Color. (12) Cut off the decals in use and dip it in water. After 20 seconds, remove the decals and use them. (13) Do not use the paper. (14) During or before assembling the kit, be careful of the sharp edged parts or burr due to improper forming of plastic parts. They may cut your finger, hand or foot if carelessly handled. (15) Do not use the glue or paint if it is indicated to draw your attention. Be careful to proceed with the assembly.
