

# HILLSON PRAGA E-114 „AIR BABY”

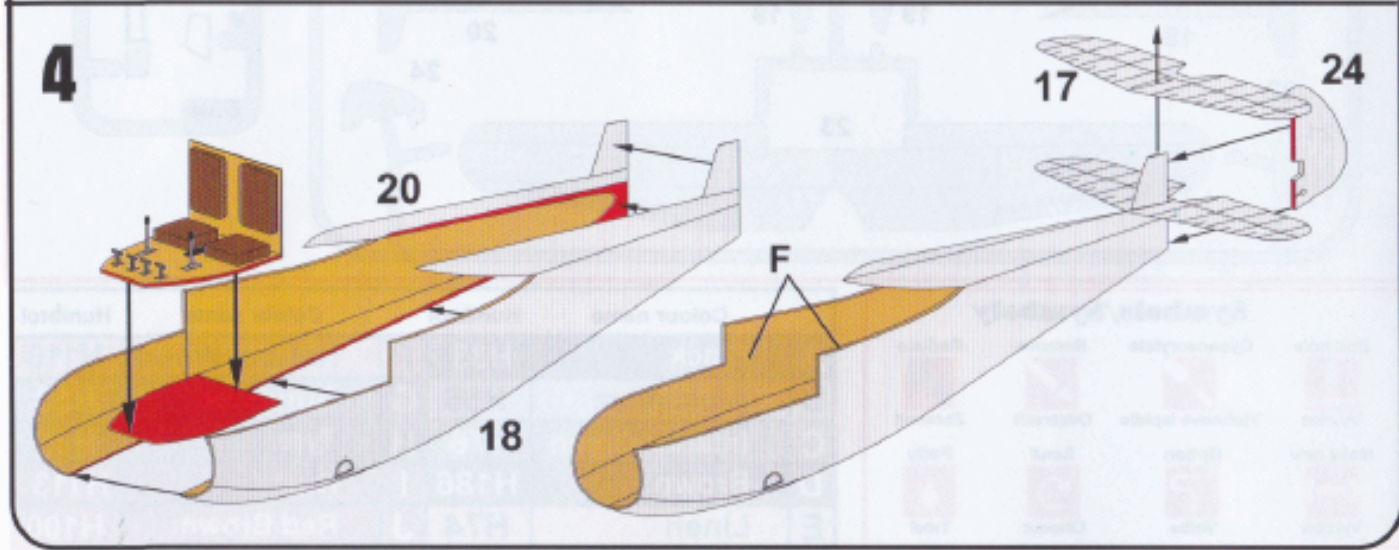

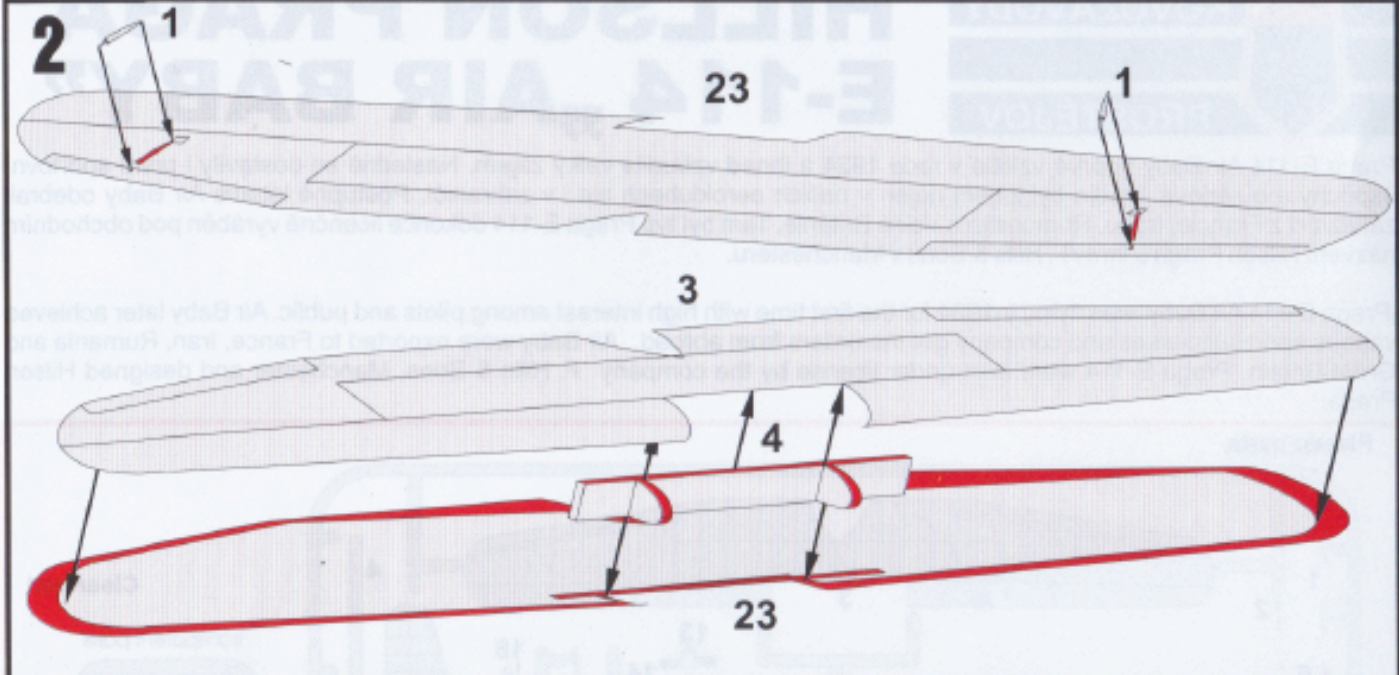

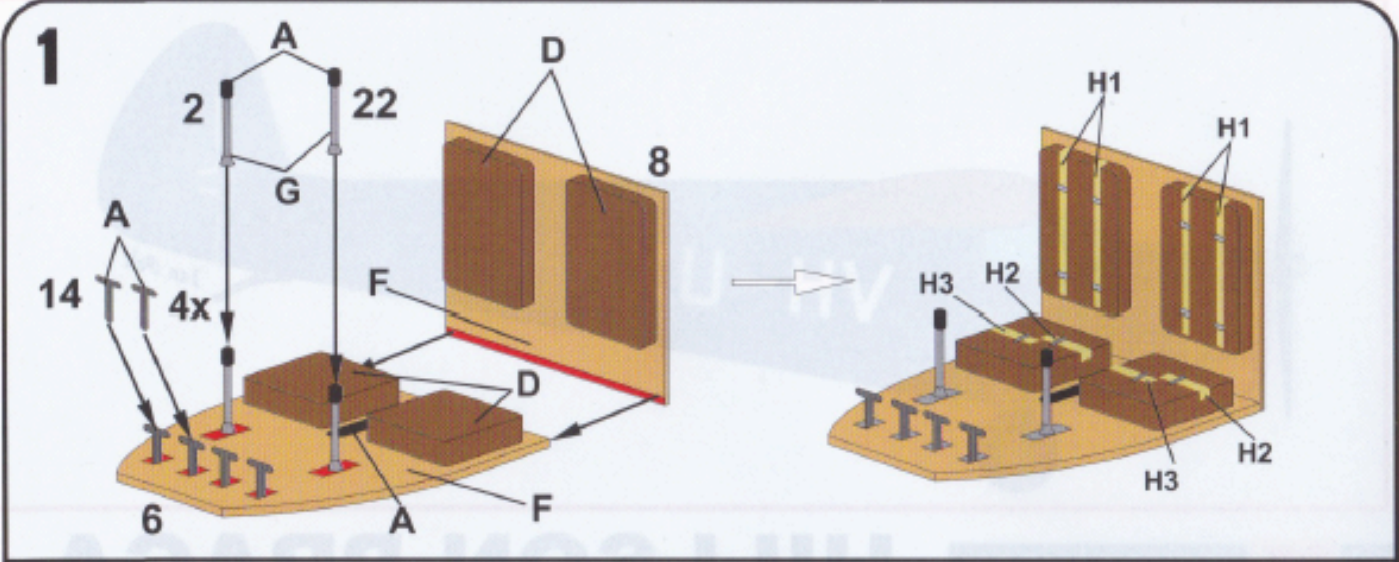

Praga E-114 Air Baby poprvé vzlétla v roce 1934 a ihned vzbudila velký zájem. Následně se dostavily i první sportovní úspěchy a o sériová letadla byl zájem nejen v našich aeroklubech ale i v zahraničí. Postupně letadla Air Baby odebrali zákazníci z Francie, Iránu, Rumunska a Velké Británie. Tam byl typ Praga E-114 dokonce licenčně vyráběn pod obchodním názvem Hillson Praga u firmy F. Hills & Sons v Manchesteru.

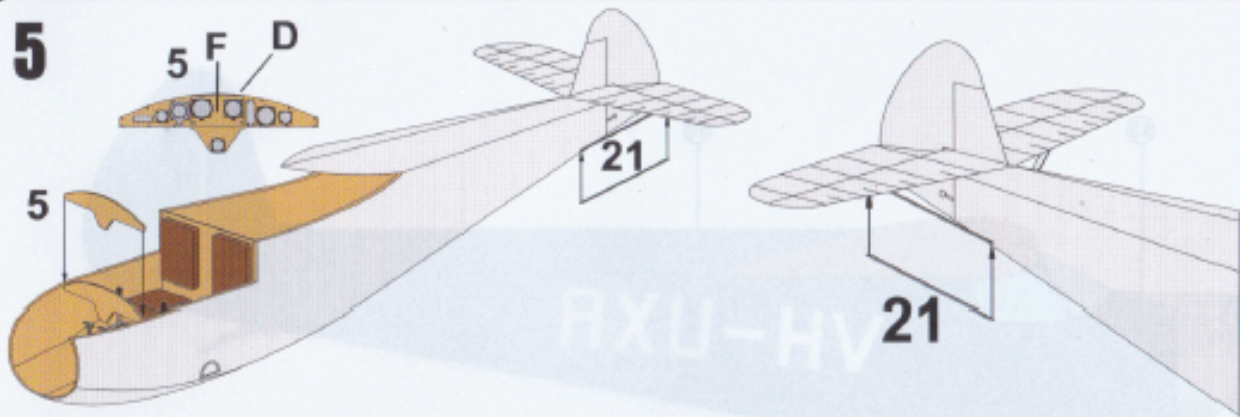

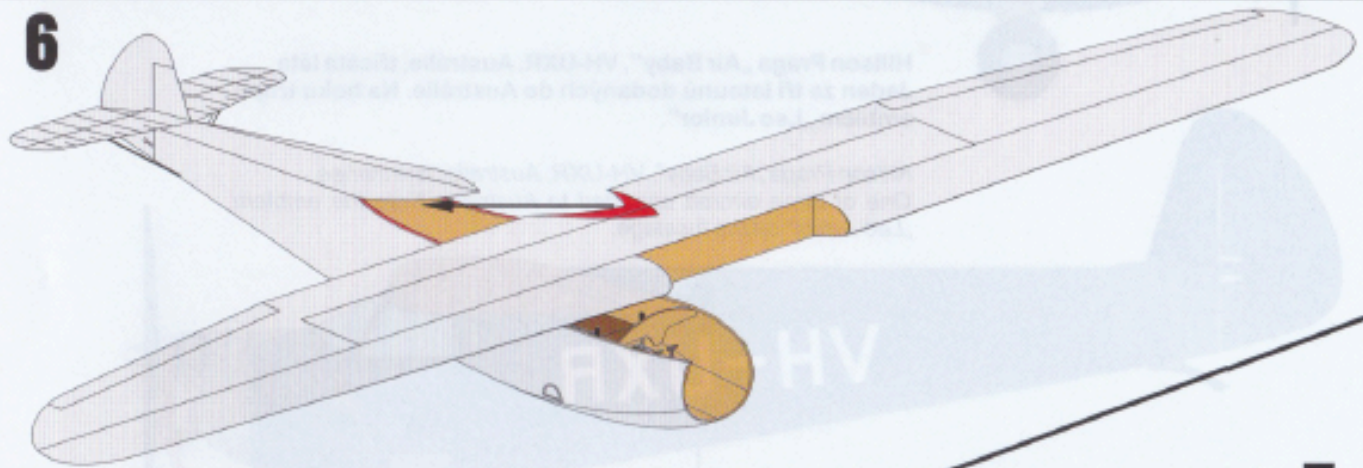

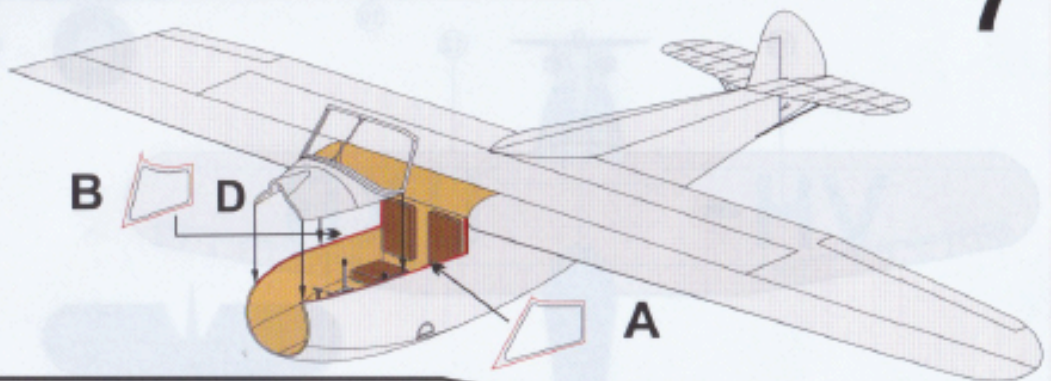

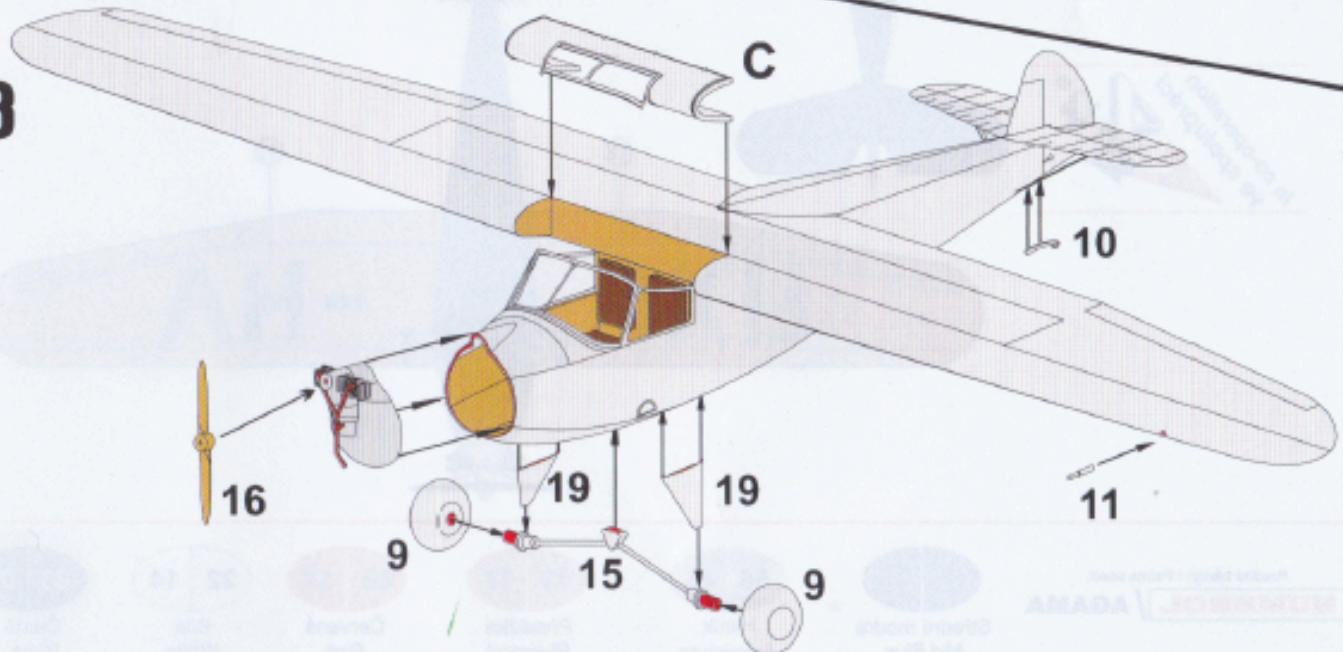

Praga E-114 Air Baby was flying in 1934 for the first time with high interest among pilots and public. Air Baby later achieved various sport successes and company got the orders from abroad. Air Baby were exported to France, Iran, Rumania and Great Britain. Praga E-114 were built under license by the company F. Hills & Sons, Manchester and designed Hillson Praga.
