For a perfect application of the decals, we suggest using Model Master products 2145 or 2146.
Per una perfetta applicazione delle decalcomanie, si consiglia l'uso dei prodotti Model Master 2145 oppure 2146.
Für eine perfekte anbringung der decals, si consiglia l'uso dei prodotti Model Master no. 2145 oder 2146 empfohlen.
Pour une pose parfaite des decals, nous vous recommandons l'utilisation des produits à decals Model Master réf. 2145 ou 2146.
Voor het perfect aantbrengen van transfers, adviseren wij gebruik te maken van de Model Master producten 2145 of 2146.
Para facilitar la colocación de las calcomías y conseguir un resultado perfecto, sugerimos el uso de los productos 2145 o 2146 de Model Master.

Istruzioni per l'applicazione delle decalcomanie. Ritagliare le decalcomanie occorrenti dal foglio, immergerle in un bicchiere di acqua pulita per circa 10", metterle in posizione sul modello e farle scivolare dalla carta: per una migliore aderenza comprimerle con una pezzuola pulita.

Direction for applying the decals: cut the required decals out of the sheet; dip the into a glass of clean water for about 10", position the decals on the kit, letting them slide from the paper. For a better adhesion, press them by means of a clean rag.

Påläggning av decalcom: Måga ut den decal som skall användas och doppa den i ett glas vatten under en 10". Sätt decalcom på plats på modellen och låt den sakta glida av pappret. För att den skall sitta ordentligt, tryck till med en torr duk.

Anweisungen für Abziehbilder-Anbringung: Die benötigten Abziehbilder vom Blatt abschneiden, in ein Glas reines Wasser für etwa 10" einweichen, auf das Modell legen und dann vom Papierbogen abziehen. Um eine bessere Haftung zu erzielen, die Abziehbilder mit einem reinen Tuch andrücken.

Instruction pour l'application des decalcomanies. Couper les decalcomanies choisies et les plonger environ 10" dans un peu d'eau propre. Les placer sur le modèle en les faisant glisser de leur feuille et presser avec un morceau de chiffon pour éliminer les bulles d'air.

Istrucciones Para la aplicación de las calcomanías: cortar las requeridas, sumergirlas en un recipiente de agua limpia durante 10", colocar las calcomanías sobre el modelo, haciéndolas deslizar sobre el papel. Para una mejor adherencia, presionarlas con un trapito limpio.

Transfers: knip het benodigde deel uit, dempel et ca. 10" onder water, Laat het transfer tegen het model en schuif het vanaf het papier op zijn plaats. Met een schoon doekje aandrukken.

For a perfect application of the decals, we suggest using Model Master products 2145 or 2146.

Указания по применению декалей: Отрежьте нужную вам часть декалей от общего листа, погрузите ее на 1/2 минуты в чистую воду, затем, выберите место на модели, переведите туда изобретенные, сдвинув их с бумаги, и нажмите на нее чистой тряпкой, чтобы удалить пузырьки воздуха.
