Cockpit Detail Set TD48457

(Recommended for the 1/48 scale Monogram kit)

•These are resin parts. Super Glue or epoxy must be used for gluing

Congratulations on purchasing another fine **True Details** product. Don't forget to include our Flattened and Bulged Wheels, shown below, to your model for added realism.

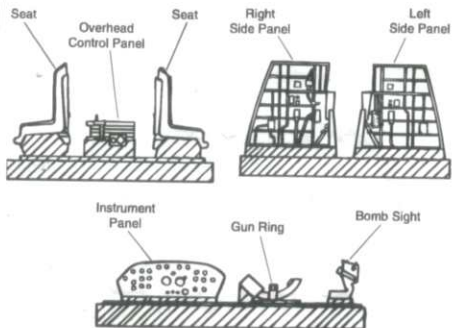

TD48095

Our wheels have accurate wheel/hub detail and tread pattern. They are bulged to give your model the realistic look of a loaded aircraft.
