APPROXIMATE COLORS

-  **FS 35180** Blue
-  **FS 35250** UN Flag Blue
-  **FS 35250** Blue
-  **FS 35466** Underside
-  **FS 36595** Radome & panels

In each section of the set, there are bonus square vinyl mask, in case you need them for variants we didn't noticed in our references.

1) Paint model's upperside in FS 35630 overall and wait until the paint dries.

2) Place masks in the indicated places to cover zones that must remain painted in gray FS 35630. Continue painting the camouflage in the following order:

-Darkest blue spots in FS 35180, an once dry, cover zones that must remain painted in FS 35630 & FS 35180.

-Finish painting the uncover zones with medium blue FS 35250.
