

**'76 & '77
Fiat 131 Abarth Rally
Front Grille & Headlights**

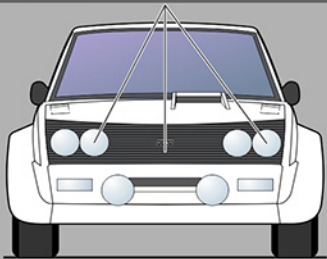

Designed for the 1/24th kits:
ESCI / Revell / Italeri

TK.24.005.00

Safety first!

Resin dust is dangerous: **Wear a dust mask!**
Wear eye protection when cutting resin with power tools.

Replace kit parts B13, D1 and D2 with resin parts
Paint the interior of the headlights bright silver or chrome before glueing the lenses

Preparation of the parts, including cutting, filing, sanding, glueing and painting is required.
Join parts using cyanoacrylate or epoxy glue.
Clear parts should be glued with PVA (white) glue.

Recommended for ages 14 and above.
This is **NOT** a toy!
Keep away from children.
