AIRWAVES
SPITFIRE WHEELS

These replacement wheels are manufactured from polyurethane resin and will suit most Merlin powered Spitfire/Seafire variants. Seam marks can be removed by carefully scraping with a sharp blade and finishing with wet wet & dry paper. For fixing use superglue or two part epoxy. Airwaves are distributed by E.D. Models, 64 Stratford Road, Shirley, Solihull, West Midlands B90 3LP, England. Telephone: 021-744-7488. Fax: 021-733-2591.

Hubs usually aluminium colour
