A product of Singapore

Paint Ukrainian national colours on forward fender sections. Probably repeated on right side as well.

Since markings are so neatly painted, they are very likely repeated on the right side as well.

BMP-2

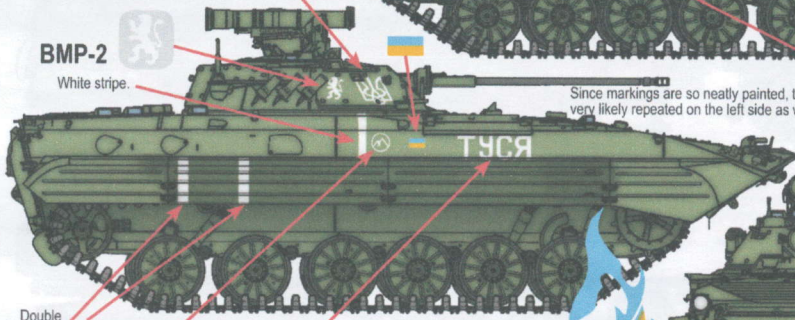

White stripe.

BMP-2

White stripe.

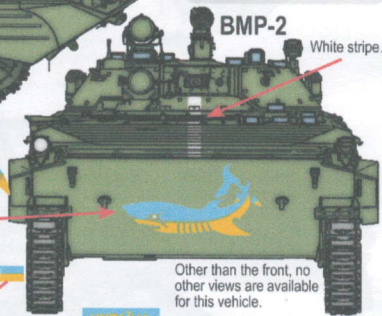

Since markings are so neatly painted, they are very likely repeated on the left side as well.

Double white stripe.

BMP-2

White stripe.

Other than the front, no other views are available for this vehicle.
