Istruzioni per l'applicazione delle decalcomanie. Ritagliare le decalcomanie occorrenti dal foglio, immergerle in un bicchiere di acqua pulita per circa 1/2 minuto, metterle in posizione sul modello e farle scivolare dalla carta; per una migliore aderenza comprimerle con una pezzuola pulita.

Direction for applying the decals: cut the required decals out of the sheet; dip the into a glass of clean water for about 1/2 minute; position the decals on the kit, letting them slide from the paper. For a better adhesion, press them by means of a clean rag.

Risättning av decaler: klipp ut den decal som skall användas och doppa den i ett glas vatten under en 1/2-minut. Sätt decalerna på plats på modellen och låt den sakta glida av pappret. För att den skall sitta ordentligt, tryck till med en torr duk.

Anweisungen für Abziehbilder-Anbringung: Die benötigten Abziehbilder vom Blatt abschneiden. In ein Glas reines Wasser für etwa 1/2 Minute einweichen, auf das Modell legen und dann vom Papierbogen abnehmen. Um eine bessere Haftung zu erzielen, die Abziehbilder mit einem reinen Tuch andrücken.

Instruction pour l'application des décalcomanies. Couper les décalcomanies choisies et les plonger environ trente secondes dans un peu d'eau propre. Les placer sur le modèle en les faisant glisser de leur feuille et presser avec un morceau de chiffon pour éliminer les bulles d'air.

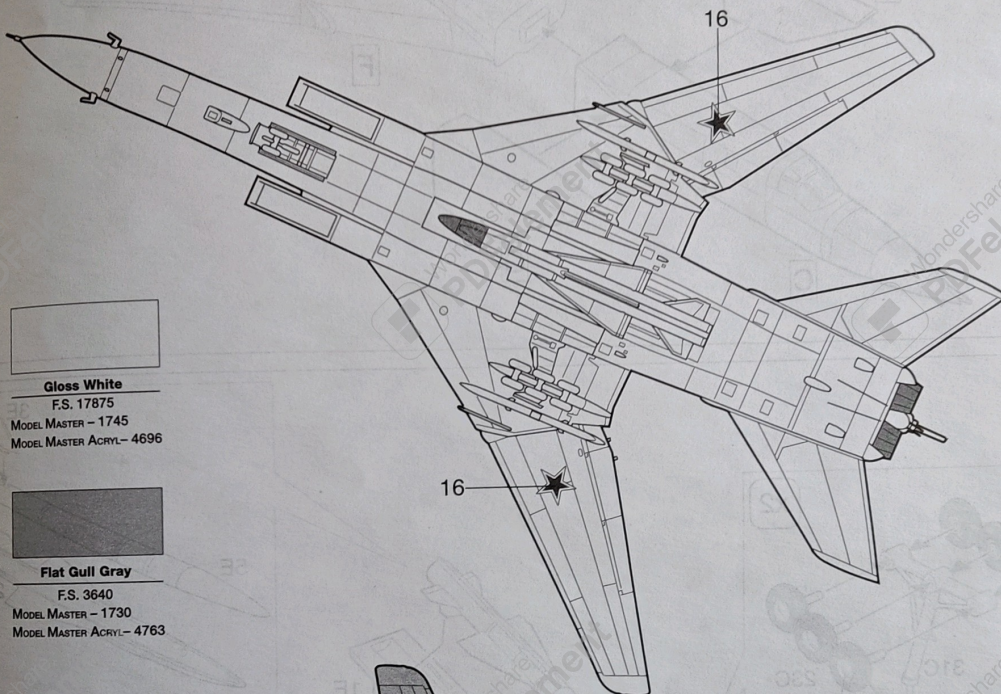

Istrucciones Para la aplicación de las calcomanías: cortar las requeridas, sumergirlas en un recipiente de agua limpia durante 1/2 minuto, colocar las calcomanías sobre el modelo, haciéndolas deslizar sobre el papel. Para una mejor adherencia, presionarlas con un trapito limpio.

Transfer: knip het benodigde deel uit, dempel et ca. 1/2 minuut onder water, duik het transfer tegen het model en schud het vanaf het papier op zijn plaats. Met een schoon doekje aandrukken.

Transfer: knip het benodigde deel uit, dempel et ca. 1/2 minuut onder water, duik het transfer tegen het model en schud het vanaf het papier op zijn plaats. Met een schoon doekje aandrukken.

Указания по применению декалей: Отрезать нужную вам часть декалей от общего листа, погрузите ее на 1/2 минуты в чистую воду, затем, выдержав нужное место на модели, переведите туда изображение, сдвинув его с помощью чистой тряпочки.
