

1, Messerschmitt Bf 109 G-6 Trop, code V372, 102. Önálló Vadászszázad, Zamosch, may 1944.

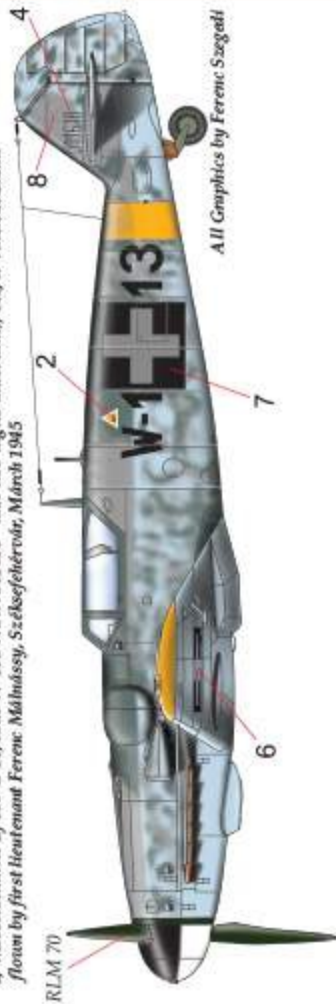

All Graphics by Ferenc Szegedi

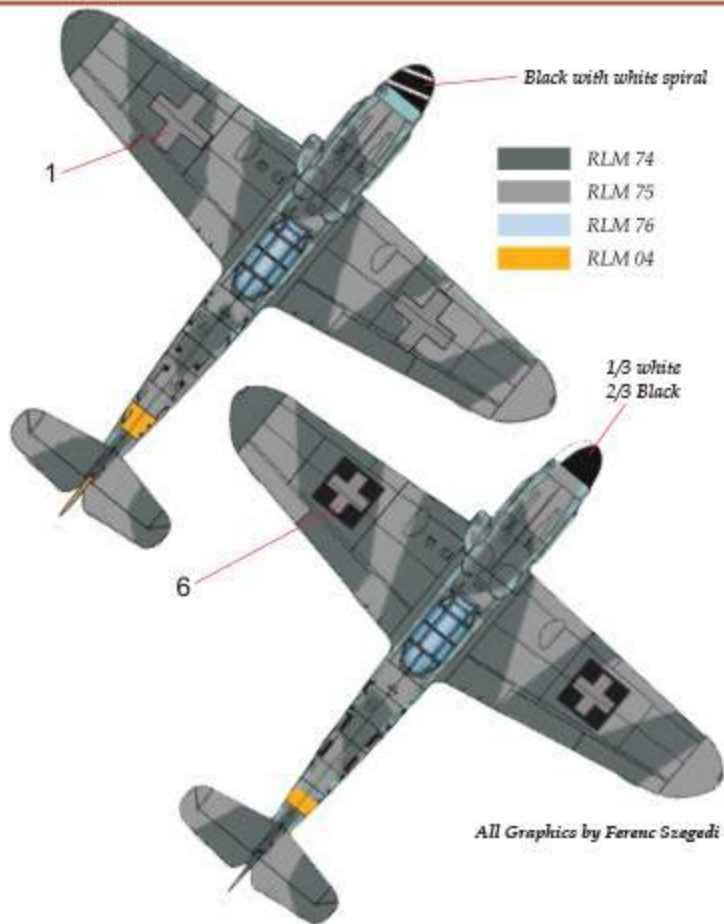

Note:

"This decal is in one piece, so cut it between each number and apply the movie by one. This will make the positioning a lot easier and the fit for the panel lines on the models of different manufacturers will be more accurate. Use the graphic and/or study the available photos."

2, Messerschmitt Bf 109 G-14, code W-113 W.Nr. 511618 - last two digits uncertain), 101/S. Vadászszázad flown by first lieutenant Ferenc Máhdassy, Székesfehérvár, Márcs 1945
