(for Dragon/Tamiya Kit)

2 Kg./rs Pz Abt 502
L/Pz Abt 503
L/SS-Pz Rgt 1 "LSSAH"
8/SS-Pz Rgt 2 "Das Reich"

These skirts were used by the Tiger I crews to camouflage the tank's tracks and to prevent them from being damaged by enemy fire. They were also used to prevent the tank from being tracked by the enemy's anti-aircraft guns. The skirts were made of wood or metal and were attached to the tank's hull with bolts or rivets. They were often painted to match the tank's camouflage scheme.
