

1:72 Me 262B External Tanks

for Hasegawa, Academy and Revell kits
OBS72018

Note placement of tank

INSTRUCTIONS:

1. Cut the pylons from the rocket tube halves included in the kit and add them to your Me 262B's forward fuselage.
2. Add tanks, with the filler plug and external stiffeners on the top.
3. Turn off lights, menace your 1:72 Lancaster in a futile gesture.
