BLUE ANGEL PAINT COLOR INFORMATION

"The color was the same as on the A-4. What changed was the paint. In 1970 (second year of the Phantom) they went to a polyethylene base paint. The FSN stayed the same from 1970 on. Krylon has a blue (TRUE BLUE) in a rattle can that the team uses for touch ups while on tour."

Rich Keane, Blue Angel Alumni Historian, Crew Chief #3 / #7 68-71. "OABAAB" Once A Blue Always A Blue.

F-4J Phantom II US Navy Blue Angels, 1969

IN ORDER TO ENSURE PROPER COLOR AND REGISTRATION IT WAS NECESSARY TO PRINT A SEPARATE LAYER OF WHITE FOR THE SMALLER DECALS. THIS SHOULD BE APPLIED FIRST, ALLOWED TO DRY AND THEN APPLY THE YELLOW DECAL.

• Temporarily attach gear doors in closed position. Apply decals 12/13 and trim for a precise fit when dry.

AIRCRAFT #1 COULD HAVE YELLOW SPARROWS IN ALL FOUR LOCATIONS. CHECK PHOTOS FOR ACCURACY.

• Temporarily attach gear doors in closed position. Apply decal 15 and trim for a precise fit when dry.

• Alternately, you may use the small location marks on the decal sheet to align gear doors and trim decals before application.

Recommended Kit
HASEGAWA F-4J
