## AIRCRAFT ACCESSORIES FOR PLASTIC MODEL

Wie auch die RF-84F hatte jede F-84F eine individuelle Bemalung. Man muss sich anhand von Unterlagen „seine“ Maschine raus suchen und sie dementsprechend lackieren.

Like the RF-84F, each F-84F had an individual livery. One should select oneself by means of photos his painting.

-  RAL 6014 Gelboliv
-  RAL 7001 Silbergrau
-  RAL 7012 Basaltgrau
