

Paint required parts in sequence shown. Black numbers in circle indicate part number. Black numbers in star indicate completed section. Before joining fuselage halves, clear holes 'H' (When shown). Peindre les pièces nécessaires avant le montage. Monter les pièces dans l'ordre indiqué. Les numéros noirs encerclés indiquent la pièce numérotée. Les numéros noirs dans une étoile indiquent la section terminée. Avant de joindre les deux moitiés du fuselage, dégager les trous 'H' (lorsqu'ils sont indiqués). Benötigte Teile vor Zusammensetzung farben. Teile der Reihe nach wie gezeigt zusammenbauen. Schwarze Zahlen im Kreis geben den nummerierten Teil an. Schwarze Zahlen im Stern geben den fertigen Abschnitt an. Vor Zusammensetzung der Rumpfhälften, Löcher 'H' freimachen (wenn gezeigt). Pitturare i pezzi necessari prima del montaggio. Montate i pezzi nell'ordine indicato. I numeri neri nel cerchio indicano la parte numerata. I numeri neri in una stella indicano la sezione finita. Prima di congiungere le due metà della fusoliera, sbloccate i fori 'H' (quando sono indicati). Las piezas necesitan pintura antes de su montaje. Móntense las piezas según la secuencia indicada. Los números negros en un círculo indican el número de pieza. Los números negros en una estrella indican la sección completa. Antes de unir las dos mitades del fuselaje, limpíense los orificios 'H' (cuando se marquen). Schilder vereiste onderdelen voor montering. Monteer onderdelen in volgorde. Zwarte nummers in cirkel geven het nummer van het onderdeel aan. Zwarte nummers in ster geven voltooide sectie aan. Vóór het samenvoegen van de romphelften de gaten gemerkt 'H' (indien getoond) vrijmaken.

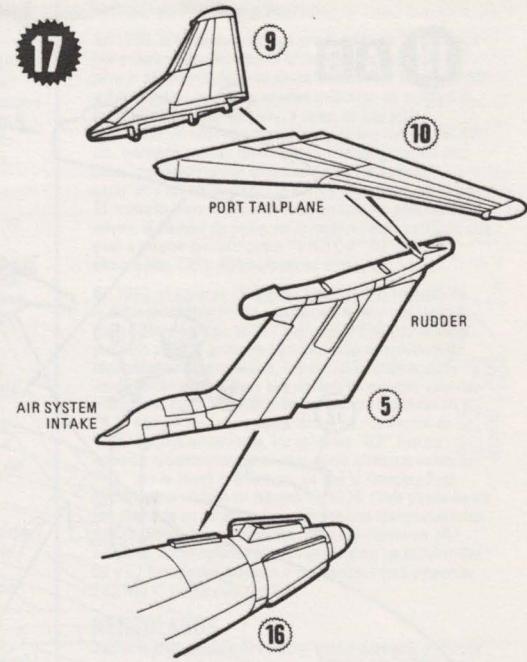

The diagram shows the assembly sequence. Parts are grouped into three main sections: A, B, and C. Section A shows the initial assembly of the fuselage and engine nacelles. Section B shows the addition of wings, tail fins, and landing gear. Section C shows the final assembly of the cockpit, interior, and external fairings. Notes at the top provide specific instructions for certain parts: 'DO NOT CEMENT TOGETHER' (circle), 'WITHOUT STAND ADD NOSE WEIGHT' (down arrow), 'TRIM OFF SHADeD AREA' (diagonal lines), and 'APPLY UNDERWATER TRANSFER' (target).

Cement wheels to undercarriage, place the model onto a flat surface and leave cement to harden.

Coller les roues sur le train d'atterrissege, déposer la maquette sur une surface plane et attendre que la colle durcisse.

Räder an das Fahrwerk zementieren, Modell auf eine glatte Fläche legen und Zement härtzen lassen.

Cementare le ruote al carrello di atterraggio, collocare il modello su una superficie piana e lasciar indurire il cemento.

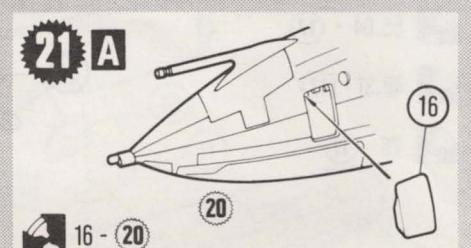

Pegue las ruedas al carro de aterrizaje, coloque el modelo sobre una superficie plana y déjelo hasta que se endurezca el pegamento.

Cement de wielen aan het landingsgestel vast, plaats het model vervolgens op een plat oppervlak en laat de cement hard worden.

Before applying transfer, cut as shown.  
Avant d'utiliser la décalcomanie découper comme indiqué.  
Klebebild vor dem Anbringen wie gezeigt ausschneiden.  
Prima di applicare la decalcomania, tagliare secondo le indicazioni.  
Antes de aplicar la calcomanía, córtela como se muestra.  
Knip het overdrukplaatje eerst uit zoals aangeduid en breng het daarna aan.
