## B M4A3(105) Dozer Tank

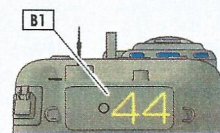

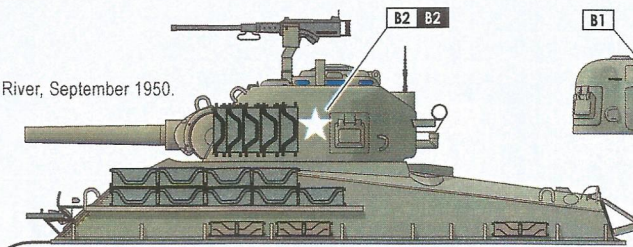

Company-B, 1st Marine Tank Battalion.  
In 1950.

Alternative:

Company-A, Han River, September 1950.

Railroad tracks was welded on the hull sides to hold the tracks in place.

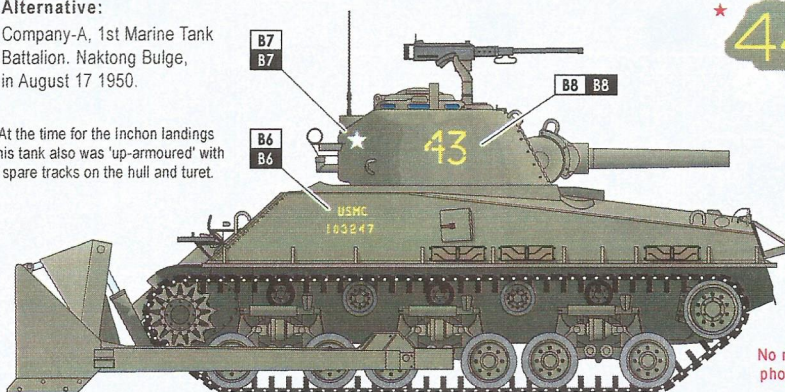

No rear view photo found

Alternative:

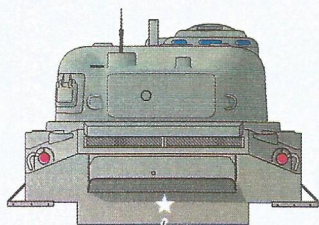

Company-A, 1st Marine Tank Battalion. Naktong Bulge, in August 17 1950.

At the time for the Inchon landings this tank also was 'up-armoured' with spare tracks on the hull and turret.

44

The numbers on the turret sides are not visible due to the added tracks, but they are most likely there.

TK-2 B5 or B7
